

CT900ENT TREADMILL

12 Groove Poly-V Belt

The CT900ENT Treadmill combines the workhorse quality and construction of the CT900 with the beauty and innovation of the entertainment display for TV, web browsing and music streaming. With a 15.6" touchscreen display, this console features intuitive function and design to make it quick and easy to get on and go. Robust construction and premium-grade components give users a smooth workout experience, while giving owners the peace-of-mind to know their equipment will live up to the rigors of consistent use.

CT900ENT TREADMILL

- Oversize pulleys and 12 groove poly-v belt with tensioning idler reduce stress on the system for added reliability
- Double-sided .5mm phenolic coated deck, 3.0" rollers and multi-ply Habasit® belt combine to provide a low maintenance system for thousands of miles
- Polyurethane shock absorbers ensure just the right amount of cushioning
- Roomy 22" x 62" workout surface offers clients plenty of room for a comfortable workout
- Industrial, 5.0 horsepower AC drive system provides power and longevity

Integrated adjustable fan for workout comfort

15.6" touchscreen display with multiple viewing modes

Tablet friendly reading rack holder

Accessory trays for secure placement of water bottles, keys, smartphones, etc.

Ergonomically friendly hand grips for pulse tracking

TV Watch your favorite TV shows right on the console, control the volume, and switch channels by tapping the virtual buttons on the screen.

DISPLAY The system provides 3 different viewing modes (Simple, Track, Dashboard) to fine tune your workout experience.

INTERNET Easily access preselected websites and online apps such as YouTube, Facebook, and Twitter through the internet on the touchscreen.

SETTINGS The console is fully configurable with in-depth console settings. Easily set up the internet connections and modify what websites are available for the user. Also, customize the TV settings, perform diagnostics and maintenance, change default language, update software version, and more.

CT900ENT TREADMILL
